La selezione cromatica qui riprodotta è di tinte per interni. Pur avvicinandosi per quanto possibile, le tinte devono considerarsi indicative, per i riferimenti esatti, consultare il Mazzettone Marcromie.

The color selection shown here includes shades for indoor use. Although care has been taken to make them as accurate as possible, these shades must be considered purely indicative. For best precision, see our Marcromie Color Chart.

La sélection chromatique reproduite ici est constituée de teintes pour l'intérieur. Même si elles se rapprochent autant que possible des couleurs réelles, les teintes doivent être considérées comme indicatives; pour toute référence exacte, consulter le nuancier Marcromie.

La gama cromática que aquí se reproduce es para interiores. Los colores deben considerarse orientativos, si bien son lo más similares posible a los reales, para referencias más exactas consulte la carta de colores Marcromie.

Представленные здесь избранные цвета для внутренних работ должны приниматься как ориентировочные, насколько возможно приближенные к оригиналу. Для уточнения цвета и выбора других цветов обращайтесь к большому вееру Marcromie.
